CONFESSIONS

I have a thing for travel: Panama, Thailand, Russia, Europe, South Africa, Kenya, two years living on a bus traveling 48/50 states. I love photography, print-making, the great outdoors, family and friends. I am a humanitarian at heart, often looking for ways to use art and design to contribute to the greater good.

WANT MORE?

I am the second oldest of 7 kids, I am married to a New Yorker, I lived in Denver for 9 years, I spent 3 years studying at the Art Institute of Colorado, I have been in a commercial for condoms (not as sexy as it sounds). I love TED Talks and can't get enough of This American Life.
